QCWA HISTORY

It all began during a 10-meter round table one Friday night in November 1947. Six of the members decided they should form an organization of Amateur Radio operators who had been licensed for more than 25 years.

The initial organizational meeting was held December 5, 1947 in a restaurant in midtown New York City. Thirty-four old-timers attended. John DiBlasi, W2FX, was elected President; George Droste, W2IN, Vice-president; Leon Hansen, W2FIT, Secretary and David Talley, W2PF, Treasurer. Frank Lester, W2AMJ (W4AMJ) proposed the name of the organization. The logo was developed from a cartoon in a 1923 QST accompanying an article "ROTTON QRM", written by "The Old Man" himself, Hiram Percy Maxim. Otto Eppers, W2EA, a commercial artist, made some minor modifications to the drawing, added some sparks and the letters "QCWA", and the QCWA logo was born.

Membership grew rapidly within the first month and when the rolls were closed on December 31, 1947, there were 54 Charter members:

ACTIVE QCWA CHAPTERS

A great deal of growth and dynamic character of QCWA is a direct result of the Chapters chartered across the continent and across the world. Our Chapters support QCWA activities and make it possible to enjoy the fellowship of old-timers without driving long distances to attend meetings. The first Chapter was formed in 1951 and the last one in 2002, some 50 years later.

The Chapters are self governing, making an annual report to the National organization, and they operate in substantial agreement with the National Constitution and By-Laws. Through the active help of our Chapters and At-Large members the QCWA Memorial Scholarship Fund continues to grow. This is one of our greatest activities. Through the help of our members we obtain great participation in QCWA activities. Chapters are assigned numbers issued on the basis of their charter dates.

Those numbers are continued for the Chapter even though the Chapter may become inactive. Some of the formerly inactive Chapters have been re-activated and some have even changed their names. The following list is of current, active Chapters. At the moment there are several inactive Chapters being reorganized.

QCWA DIRECTORY OF MEMBERS

This QCWA Membership Directory is the 22nd such volume printed.

As in the past issues professional titles and designations have been omitted. All make-up was done on QCWA equipment. Dbase IV and Aldus Pagemaker along with Aldus InfoPublisher were the software programs used. InfoPublisher is a special program which provides a 'bridge' between Dbase and Aldus Pagemaker allowing for changing capitalization, arranging parts of the data base for sequential use and allowing for mass printing of slashed zeros in callsigns. Each call zone was treated as a separate group so that calls could be properly sorted prior to using the Page Ahead program. All members who were in good standing as of June 30, 2003 have been included.

These Page Maker files were then saved as .pdf (Acrobat) files. This whole Directory will be placed on the Home Page for your use.

The listings in this Directory are as follows. The first line lists the Call, Name, Membership number, year first licensed and chapter number (if any) also an indication of Life Membership. The second line lists the street address and the third line lists the City, State and ZIP coding.

International members are listed alphabetically by Country name and then under that heading the usual member information as detailed above.

CREDITS

This issue of the QCWA Membership Directory does not include a listing of the Silent Key Members. Our membership has dropped since the last publication, basically because we have discovered a large number of Silent Keys that were never reported. Printing and mailing costs dictated doing the essentials for a good Membership Directory in this new format to be 'read' by an Acrobat Reader and for the Directory to be placed on the Home Page.

Copies of the latest version of the Constitution and By-Laws are included as part of this Membership Directory. The By-Laws were revised at the Oct 2001 Board meeting and the Constitution was revised June 10, 1997 and those changes have been incorporated in this recorded version.

All work to bring the data base up to date has been done by the Headquarters staff. This includes Jan Hayter and Jim Walsh, W7LVN. The general format of this Membership Directory has been carefully continued from our last issue so that we will preserve the same format. The opening page is a design by W5EJ. If there are any errors or omissions we apologize. My thanks to the Board of Directors for their support and assistance.
